

A NEW ONLINE BANKING EXPERIENCE ARRIVING SOON!

Our online and mobile banking platforms are getting an exciting new look on September 13th!

How will this change affect me?

Starting September 13, 2022 you will login through the web at fsb-purdy.com just as you have before. Your online banking ID and password will remain the same. The web interface will look significantly different and will now require the setup of two-factor authentication to better secure your account. Mobile app users will need to uninstall the previous First State Bank of Purdy Mobile app and install the new version. Direct links will be provided for both of the new iOS and Android apps on our fsb-purdy.com website.

9/12/22 After 4PM - Online Banking Limited or Unavailable

9/13/22 After 7am - New Online Banking Site Available

Exciting new Features!

Conversations

Chat directly with the FSB team using a secure messaging system built into our new mobile app and website! Ask account questions, get help, and more.

Personalize your experience

Arrange the layout of your online banking to your preference.

New Mobile App!

A new and improved mobile app for Android and iOS.

Questions?
